

Subject Highlights

Language Arts

This month we are starting Unit 1: Observing Nature. We will be working on, finding main ideas & details, comparing & contrasting, point of view, summarizing, and informative writing.

Social Studies

We will be learning about 9/11.

Math

In math we are finishing iReady Unit 1, which focuses on place value, comparing numbers, rounding multi-digit numbers, adding & subtracting whole numbers using the standard algorithm,

Science

We are continuing Unit 1- Earth's Systems, Materials, and Processes. We will be focusing on how water and wind can change Earth's landforms (weathering & erosion.)
