

# Orangewood School 2nd Grade Newsletter

## Subject Highlights

### Language Arts

This month we are starting our first Benchmark Unit about plants and animals in their habitats. We will be reading about life cycles and adaptations in their environment.

### Social Studies

We have been learning about and Citizenship and practicing The Orangewood Way, as well as practicing classroom and school routines. Please reinforce the idea that being a good citizen is important in our community as well as at school.

### Math

In math we are starting our first unit of iReady! We are practicing strategies for addition and subtraction using mental math within 20. We are learning doubles plus 1 and make a ten strategies.

### Science

We are starting our Day & Night unit, looking at the sun and moon and the patterns that occur in nature! We will also be learning about plants and animals this month!
