- 4) New Business
  - a. School Safety Plan
    - i. The binder with the safety plan is in the front office on the bookshelf behind the women at the desk. The binder is updated every year. The binder breaks down emergency contacts and roles. Jeff wondered if the binder is available online. We practice fire drill once a month. Lock down drill – full/perimeter. Every summer we have multiple police offers who do a safety walkthrough. We call both police and district crisis team. Jeff wondered why we do not have an SRO. John said that we have good behavior, and we are low on the list of needs.
  - b. Community / Family Events update
    - i. One event per quarter. Winter concert had more attendees than we planned so next year we need to plan better. March 7 is our quarter 3 event.
  - c. A+ Site Visit
    - i. This is different than the district rating. We have district detailers to help fix the school's face. Jeff wanted to know when he'll be involved in the process, which is on Thursday. We'll have a review sheet to review as a staff before the judges come to visit. Parents are excited to be a part of the process because they feel connected to the school.

- a. Friday, 6pm, 10<sup>th</sup> st and Butler, safety plan. You can be a community group (like block watch) for \$15,000.
