

Welcome To Kindergarten!

~About your teacher~

Hello, my name is Leslie Price, and I will be your child's teacher on this very special journey of kindergarten! I am a 1st year teacher with a degree in education from The University of Arizona. I am a mother of four, 1 boy and 3 girls. Three of which will be attending Sahuaro Elementary this year. I have been married for 10 years and along with our children we also have 2 cats! I love to spend my time reading, watching movies, listening to music and enjoying nature when it's not too hot. I am so happy to be on a journey of 1st with you and your child, as my first year as a teacher and your child's first year of school ever!

~ Feel free to contact me through email, class dojo, or calling my school number.

~About our Class~

I chose the name "The Prickly Pears" for our class because of the many meanings the prickly pear cactus holds in different cultures. In short, our classroom will practice resilience, resourcefulness, generosity, and doing our best to contribute to our community through our unique individual abilities.
