April 2023

Hello Abraham Lincoln families,

State testing has started with the AZ Science test for 5<sup>th</sup> and 8<sup>th</sup> grade students. Students are being diligent and putting their best effort into showing what they have learned. We appreciate the support from our families and from classrooms in kindergarten, first and second grades. Our primary classrooms are planning to show support with inspirational posters and some treats too!

We have several events coming up in April and May. The book fair is coming soon so please look for details of book fair dates and times that will be sent home. Band and music will be having their final concerts in May. Kindergarten and eighth grade promotion is coming toward the end of May. Please be looking for detailed information coming from our kindergarten and eighth grade teachers about promotion in the next few weeks. Promotion ceremonies will be limited ticketed events to stay within the cafeteria capacity. Teachers will be sure your family gets the allotted number of tickets. We are looking forward to seeing our families during these 4<sup>th</sup> quarter events!

The ALTS 8th graders have been working hard since January creating artwork that will be auctioned off in a silent auction.

Here is a link to the ALTS Patriot Productions channel video, "2023 ALTS 8th Grade Charity Art Show" featuring some of the items in the show. The students' artwork includes oil paintings, refinishing and decorating chairs, and other decorative artwork.

All the proceeds will be donated to the Arizona Small Dog Rescue, which is the nonprofit organization the 8th-grade students chose.

To see and bid on this unique artwork, visit Abraham Lincoln's Facebook page. On Friday, March 31, the student's artwork will be displayed in the cafeteria from 5:00 p.m. – 7:00 p.m., where parents and the community can view and bid on the projects in person. The NJHS will be selling pizza, water, and soda, so bring your family and friends!

## School Yearbooks

The student council and leadership class have been busy working on the school yearbook.

This year's book will have over 80 colored pages and a student-designed cover. We will use the same publishing company we used last year. Look for flyers to come home soon with more information on how to order the yearbook.

## Food Drive and Domino Cereal Box Event

Start looking for cereal and other food items on sale. The Food Drive and Domino Cereal Box Event are back! Food Wars will kick off on April 24 and end at 3:45 p.m. on May 5.

There will be a class competition with prizes, but more importantly, we will have the opportunity to give back to our community by donating all food items and money to St. Mary's Food Bank.

The cereal boxes will be used for our second annual giant stem experiment. Weather permitting, the event is scheduled for May 9.

Last year we set over 2,500 boxes of cereal into motion to learn about Newton's laws and gravity. To learn more about Food Wars and watch last year's event, visit ALTS Patriot Productions on YouTube to watch ALTS FOOD WARS 2,500 Cereal Dominos STEM Event.
