## MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

February 2024

Dear ALTS Families,

We have had a busy, but great January. Thank you to all who came to our honor assemblies, kindergarten roundup, ice cream social, and community yard sale and more! This school is amazing due in large part to parent involvement. We had a good group at our last Guild meeting which is exciting. They meet once a month and all are welcome!

February is going to be a great month. We have our family dance coming up. All students should be coming with an adult. We always have a great time at our dances and we are looking forward to this one. There will be a photo booth and treats available.

We also have our Parent/Teacher Conferences. You should have already heard from your teachers regarding signing up for a conference. We look forward to seeing you this spring.

We are quickly moving toward our largest school celebration which is our Spring Fling on March 2. This is our biggest fundraiser and we need volunteers. Please visit the Guild page to see how you can help. Our state testing is coming up in April. Please be watching for notices that are going to let you know when we are testing. This will enable all of us to get the testing done as efficiently as possible.

You are so appreciated. Thank you for all you do for ALTS and your students!

Thank you to everyone who donated to our shoe drive and community yard sale. We collected over 3,000 shoes, and our NJHS was able to sell over \$1,500 worth of yard sale items!

The event brought the community together to sell, shop or donate. The best part is that everything not sold will be donated to people in need worldwide. Congratulations to the grade band winners.

In the K-second grade band, Mrs. Dyck's class brought in 195 pairs. Mrs. Gall's class won the third-fifth grade band with 190 pairs, and Mr. Walton's class took the sixth-eighth grade band by bringing in 92 pairs.

Mark your calendars! Our school is thrilled to participate in Read Across America, a nationwide celebration that promotes a love for reading in children of all ages.

This year we will be celebrating on Friday, March 1. Throughout the day, your child can enjoy activities like dressing up as their favorite storybook character, special guest readers, book giveaways, and more.

Reading opens doors to new worlds and ideas, and we aim to foster a lifelong love for it in all our students.

**Keep an eye out for more information coming home soon and how you can be a special guest reader!**
