## MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

February 2023

Hello Abraham Lincoln families,

The week of February 6 is parent-teacher conference week. Although you have the opportunity to meet with your child's teacher, please know the teachers are available if you have questions or concerns throughout the school year, so do not hesitate to reach out to them.

Abraham Lincoln hosted Kindergarten Round-up on January 24. It was so nice to see the smiling faces of our incoming kindergarten students. If you happen to know of a student that will be starting kindergarten for the 2023-2024 school year that missed the Kindergarten Round-up, please have the family contact our office for information on registration.

Valentine's Day is on Tuesday, February 14. Let us remember to love one another, not only on Valentine's Day, but also throughout the year. In addition, let us not forget that February 14, 1912 is the day Arizona became a state! Monday, February 20 is President's Day. School will not be in session. This federal holiday celebrates all U.S. presidents, past and present, but specifically George Washington, the first president of the United States. It is a time of patriotic celebration and remembrance.

As always, if you have any questions or concerns, please feel free to contact me.

Warm regards,  
Rhonda Warren  
Abraham Lincoln Principal

## #AttendanceMattersWESD

As part of the #AttendanceMattersWESD campaign, ALTS is proud to continue to raise awareness on the importance of attendance! We have officially entered the winter months, which means there is likely to be an increase in colds, fevers and earaches on our campus. During this time of the year, it's critical students and families take action to stay healthy. Staying healthy during the cold weather will help ensure students are in school each and every day to not miss any important learning. Below are some tips to help you and your children achieve perfect attendance:

- Ensure your children have their vaccinations and attend their primary care physician appointments.
- Stress hand washing, particularly during the winter months.
- Send your children to school with a small bottle of hand sanitizer or encourage them to utilize the hand sanitizer provided at our school.

We know students will get sick during the winter season, and will need to miss school as a result. If your children are sick or experiencing COVID-19 and flu-like symptoms, please keep them home until they are feeling better. Always remember to report absences to our school. Below are some tips to help your children stay engaged in learning if they cannot attend school in person.

- Ask your children's teacher for resources that you can use at home to keep your children learning, including computer or internet access and online learning platforms.
- Identify who can support your children's learning at home, especially if you must go to work.
- Encourage your children to call classmates and stay connected to the teacher to find out about what they missed.

We are thankful for your support! For more tips, information and resources, please visit:

<https://www.wesdschools.org/attendance matters wesd>.

The health office is in need of snacks, we will be grateful for anything that you can donate. Please drop them off at the office.

THANK YOU!

**Save the date!** The Spring Concert will be on Thursday, May 4 at 5:00 p.m. Grades 1, 3, 4 (not the band students), and before school choir will perform. Students must wear a white shirt with black pants or a long black skirt.

Thank you to everyone who participated in the NJHS and student council's Shoe Drive and Community Yard Sale. It was a huge success. We brought in over 1,400 pairs of shoes! We sold hundreds of shoes at the yard sale and were able to ship just over 1,000 pairs to people in need worldwide. Congratulations to Ms. T's second-grade class for winning the Golden Shoe Trophy. They brought in 211 pairs. Mrs. Gall's class won for the 3rd-5th grade band with 157 pairs, and Mrs. Smith's seventh-grade class is the 6th - 8th-grade champions!

In addition to ALTS families, several of the people who sold items at the yard sale left things behind to donate to Valley Big Brothers and Big Sisters after the sale. Thank you to everyone who participated. You can see a [video of the Shoe Drive fun and Community Yard Sale](#) as well as our Parent Guild events, sports, and fine arts events, by visiting the ALTS Patriot Productions channel on YouTube. Don't forget to like and subscribe to see future videos.
