## MISSION STATEMENT

Abraham Lincoln Traditional School is committed to providing a safe and nurturing learning environment where students are engaged in their own learning. Our school promotes self-responsibility and self-discipline and a love of learning. We encourage and value active participation by parents, teachers, staff and principal in the decision making process in order to increase student achievement and student self-worth.

October 2022

Dear Abraham Lincoln families,

Congratulations to Yannis W. for getting a perfect score on the math and ELA AASA test. This is her second year receiving a perfect score on both tests! She was one of six students in the entire district that received a perfect score on both ELA and math AASA tests. We had nine more students that had a perfect score on either ELA or math on the AASA test. This places them above 99% of how well they did on this test compared to all WESD students.

A big shout out and congratulations goes out to, Keith H., Korina W., Alexia C., Gabriel L., Eva P., Bryan C., Azlynn S., Taj S., and James W. The ALTS family is so very proud of all of you!

Parent/teacher conferences will be coming up after fall break. Teachers will be providing information about your child's progress, as well as areas needed for improvement. Although they have information for you, you may have some questions that you would like to ask your child's teacher. Feel free to write the questions down and bring them along. Here are some ideas of questions you may want to ask:

1. What do you see as my child's strengths?
2. How does my child perform socially?
3. Are there specific areas you feel my child needs improvement?
4. Is my child staying on track?
5. Is my child putting enough effort in?
6. Is there anything specifically you suggest I can help my child with?
7. Is there a strength of my child you are particularly proud of?

Thank you for partnering with us on your child's education and your continued support of Abraham Lincoln Traditional School!

Respectfully,

Rhonda Warren      ALTS Principal
