2. Minutes

We discussed and approved the minutes from our last meeting.

3. Public Participation

4. Old Business

- **Tumbleweed is fully staffed at this point. Mrs. Gessner will get started with next year's staffing later this month.**
- **Read to Succeed-many classes are falling short of their reading goals. We discussed ways to help create excitement and incentives to get students reading on a daily basis and to get teachers to create that excitement for their students. We may implement a reading contest with prizes for those classes with the highest percentage of readers for each grade level. We discussed the possibility of a grand prize for the classroom with the highest percentage of students completing their reading goals each month. The contest would go through the end of the school year with prizes being awarded in May. PTO will help fund the prizes.**
- **PTO has already received commitments from parents willing to help with the Book Fair taking place this spring. Student Council members will also be utilized to help with the event with the expectation that they are there to work and help Mr. Maassen.**
- **Support Schools Update- Mrs. Gessner shared the MOY Data Sheets and walked us through the explanation of all the information provided therein. The data shows that students are growing and progressing in each area, indicating that our MTSS is working. 1st and 5th grade classes are progressing at a slower rate, so they will be targeted for more interventions for success.**

5. New Business

- **Our attendance continues to be above the district average however, we are striving to improve our attendance. Mrs. Gessner sent 19 emails to parents letting them know about their students' tardy status and encouraging parents to get their students to school on time.**
- **Behavior issues at this point are on the same level as last year at this time. As the new year begins, we will revisit the expectations for students to give them the support they need.**
- **Ella Cowles's art work was the winning submission for this years' yearbook cover. Congratulations to Ella!**

6. ASA Updates

- ASA Families enjoyed the end of session event in December. Lots of families came and supported their students while enjoying family time together. Prizes were awarded to students and families. The spring session of ASA is fully staffed and Ms. Ashenbrener is doing a great job getting it organized. Registration will begin soon.
- This is the last year of our ASA grant. Only 5 schools will be offered the chance to apply for a new grant. We are waiting to see if we will be allowed to reapply for another 5-year grant.

7. Upcoming Events

- This month we are celebrating students with several awards assemblies. The Tiger Ticket Assemblies, Academic Assemblies, and Principal's List and Honor Roll Assemblies will give students and families and opportunity to celebrate their successes.

8. PTO

- The FunDrive will end soon. Families have been donating 'soft goods.' Student council members will help load up the items on Jan. 17. PTO will be providing dinner for the late night of Parent/Teacher conferences in February and have plans for celebrating staff during staff appreciation week in May.

Meeting was adjourned at. 4:38.
