## Welcome to 1st Grade!

I am pleased to welcome you to the 2024 - 2025 school year! I am looking forward to having your child as a student. First grade is such a fun year with so many wonderful learning activities to celebrate. This is my 9th year as a first grade teacher here at Sahuaro. I love being part of the Sahuaro family and I am excited to include your child into my class.

I have planned a variety of activities to emphasize and reinforce the goal of creating a love of learning while providing a sound foundation for future learning. It is my hope that you will support and encourage this vision at home.
