

PRINCIPAL'S MESSAGE

Thank you for getting students to school on time and ready to learn. The number of days a student is present in school positively impacts learning outcomes. Teachers work hard to plan lessons to meet the needs of the learners in their rooms while covering all the grade level objectives. There is a great deal of work yet to be accomplished; attendance matters!

We are kicking off the month with parent/teacher conferences, held February 3 through February 7. If you are unable to meet with your child's teacher during that week, please know teachers are available if you have questions or concerns throughout the school year. We appreciate working together to support student growth.

We recently held a kindergarten open house at all WESD schools. If you still need to register a kindergartner for the 2025-2026 school year, please contact our front office for registration information. You can also visit our district website and select the registration tab. We look forward to welcoming all families to our fabulous school community.

Kind regards,
Dawna Dohogne
Principal

Support Our Students with a Tax Credit Donation

Start the new year on a positive note by supporting our students with a tax credit donation! By making a tax credit donation, you can directly impact our students' education and reduce your state tax liability (up to \$200 filing single or \$400 filing jointly). Your donation also provides our students with opportunities to participate in field trips, and succeed in extracurricular activities by funding items such as uniform replacements, equipment, and stipends for coaches and sponsors. Donating is simple! You can either visit our school office to complete a tax credit form or make your donation online at <https://bit.ly/3Ao6nZ7>. We appreciate your support!
